SAS® OnDemand for Academics: SAS Studio

Registration Instructions

Overview

To register for SAS OnDemand for Academics, you must complete the following:

- Create a SAS Profile
- Verify the SAS Profile
- Register for SAS OnDemand for Academics with SAS Profile credentials

Once you have completed SAS OnDemand for Academics registration, you can access SAS Studio.

Register for SAS OnDemand for Academics

1. Start from the Control Center.

   If you are an existing user, enter your user ID and password.

   If you are not registered or cannot sign in, select the appropriate link on the Control Center.
2. If you clicked **Not registered or cannot sign in**, then the Register for SAS OnDemand for Academics page is displayed.

Enter your user ID and password to check whether you already have a SAS Profile.

If you do not have a SAS Profile, click **Don’t have a SAS Profile?**
3. If you clicked **Don't have a SAS Profile**, a dialog box prompts you to create a profile when you submit your credentials. Click **Create Profile**.

Before you can register for SAS OnDemand for Academics, you will need to create a SAS Profile account. After you create and activate your SAS Profile, return to this page to register for SAS OnDemand for Academics.

![Create Profile button](image)

4. Complete all the required fields to create a SAS Profile.

![SAS Profile form](image)
5. You must check the box to agree to the SAS Profile terms and conditions at the bottom of the Create a SAS Profile page. Click Create profile.

The Create profile button turns orange when you have filled in all the required fields. When you click Create profile, a message is displayed that tells you that a verification email has been sent to you with instructions on how to activate your SAS Profile.
6. Click the Activate your SAS Profile link in the verification email that was sent to your email address.

Dear ODA User,

Thank you for creating a SAS Profile. Please verify your email address and activate your profile by clicking on the following link:

**Activate your SAS Profile.**

Once you’ve activated your profile, you can access free training, SAS communities, technical support and more. If you have any questions or have not requested a SAS Profile, please email SASProfileHelp@sas.com.

SAS and all other SAS Institute Inc. product or service names are registered trademarks or trademarks of SAS Institute Inc. in the USA and other countries. © indicates USA registration. © SAS Institute Inc. All rights reserved.
When you click the **Activate your SAS Profile** link, you are taken to a screen so that you can set your SAS Profile password.

7. When the password entries match, you can click **Set password**.
8. Your SAS Profile is now active. Click **Continue**.

![SAS Profile Image]

9. Return to the [Control Center](#). Click **Not registered or cannot sign in**.

![Control Center Image]

The Register for SAS OnDemand for Academics page is displayed.
10. Enter your email address and your password. Click **Submit**.

11. Agree to the terms and conditions. Click **Continue**.

---

You must review and agree to the terms of the SAS OnDemand for Academics license (view) and to the Terms of Use and Conditions (view) before signing up.

I agree to the terms of the SAS OnDemand for Academics license and to the Terms of Use and Conditions.

**Continue**

If you do not agree to the license terms, simply close the browser window to cancel the sign-up request.
12. A message is displayed that says that your sign-up request has been submitted and is being processed. An email will be sent to you with further instructions.

13. You should receive a confirmation email that contains a link to the Control Center. Click the link to open the Control Center.

---

Welcome to SAS(r) OnDemand for Academics. Your user ID is:

You can use either this user ID or your email address along with your SAS Profile password, to sign in to SAS OnDemand for Academics: [https://odamid.oda.sas.com](https://odamid.oda.sas.com)

After signing in, you can:

* Access SAS Studio software.
* Register a course and share course information with students.
* Review reference and support information. This information is also available from the support site: [http://support.sas.com/ondemand](http://support.sas.com/ondemand)

Regards,
The SAS OnDemand for Academics Team
14. At the Control Center, enter your email address and password. Click **Sign In**.

![Login screen](image)

15. You are then logged in to your SAS OnDemand for Academics Dashboard. All users have access to SAS Studio as part of their registration. The other clients (SAS Enterprise Miner, SAS Enterprise Guide, and SAS Forecast Studio) are all available with associated courses only. An instructor sends a course link to the students to enroll.
