Introduction

SAS/ACCESS® 9.1 Interface to R/3: User's Guide describes the SAS/ACCESS Interface to R/3 from SAP AG. It provides primary support for the SAS/ACCESS 9.1 Interface to R/3.

Audience

This document is intended for applications programmers and other users who are comfortable with their own operating environment and are reasonably familiar with either SAS or with R/3. It is assumed that users are completely unfamiliar with using both of the systems together. The glossary provides definitions of terms that might be new to a user who is unfamiliar with either system.

This document provides tutorial instruction for a novice user of the SAS/ACCESS Interface to R/3. After you have mastered the tutorial, you can use this document for reference.
