Acknowledgments.

Chapter 1: Introduction.

Scorecards: General Overview.

Chapter 2: Scorecard Development: The People and the Process.

Scorecard Development Roles.

Intelligent Scorecard Development.

Scorecard Development and Implementation Process: Overview.

Chapter 3: Scorecard Development Process, Stage 1: Preliminaries and Planning.

Create Business Plan.

Create Project Plan.

Why “Scorecard” Format?

Chapter 4: Scorecard Development Process, Stage 2: Data Review and Project Parameters.

Data Availability and Quality.

Data Gathering for Definition of Project Parameters.

Definition of Project Parameters.

Segmentation.

Methodology.

Review of Implementation Plan.

Chapter 5: Scorecard Development Process, Stage 3: Development Database Creation.

Development Sample Specification.

Development Data Collection and Construction.

Adjusting for Prior Probabilities.

Chapter 6: Scorecard Development Process, Stage 4: Scorecard Development.

Explore Data.

Missing Values and Outliers.

Correlation.

Initial Characteristic Analysis.

Preliminary Scorecard.

Reject Inference.

Final Scorecard Production.

Choosing a Scorecard.

Validation.

Chapter 7: Scorecard Development Process, Stage 5: Scorecard Management Reports.

Gains Table.

Characteristic Reports.

Chapter 8: Scorecard Development Process, Stage 6: Scorecard Implementation.

Preimplementation Validation.

Strategy Development.

Chapter 9: Scorecard Development Process, Stage 7: Postimplementation.

Scorecard and Portfolio Monitoring Reports.

Review.
