Acknowledgments xvii

Chapter 1 Understanding Quality and Quality Requirements..... 1

- The End Result 3
- Quality 3
- Quality Control 5
- Quality Assurance 6
- The Quality System 6
- Quality Requirements and Specification Review 7
- Quality Requirements 9
- Final Thoughts 10

Chapter 2 Testing 11

- Testing: What Is It? 11
- Testing: Location, Technicians, and Training 12
- Procedures 14
- Final Thoughts 32

Chapter 3 Inspection and Data Handling 33

- Inspection 34
- Plans and Procedures 34
- Data, Data, Everywhere! 43
- Final Thoughts 48

Chapter 4 Calibration.....	49
Gauge Identification	51
Calibration Standards	53
Calibration Recall and Data Management System	54
Moving beyond the Simple Recall System	55
Out-of-Tolerance Conditions	56
Final Thoughts	58
Chapter 5 Corrective and Preventative Action and Error Proofing.....	59
When Is Corrective Action Required?	61
Requirements for a Corrective Action System	62
Investigating and Resolving a Corrective Action Issue	63
Corrective Action Resolution	66
Error Proofing	67
Preventative Action	69
Final Thoughts	72
Chapter 6 Document Control: Ensuring Vital Information Is Available to Those Who Need It.....	73
Why Go to All This Effort?	74
Paper-Based Systems	75
Revision Control	76
Document Distribution	76
Uncontrolled Copies	79
Electronically Based Systems	80
Guidelines and Audits	81
Final Thoughts	82
Chapter 7 Process Control.....	83
How Do I Do It?	85

Identifying Key Process Variables	85
The Control Plan	87
Equipment Setup/Documentation and Verification	88
Process Capability	89
Monitoring	91
Final Thoughts	92

Chapter 8 Process Changes..... 93

Request Submission	96
External Communication of Changes	104
Final Thoughts	105

Chapter 9 Raw Materials, Services, and Suppliers 107

Sourcing: Raw Materials	108
Sourcing: Services	113
After Sourcing: The Start of a New Relationship	117
Final Thoughts	122

Chapter 10 Customers 123

The Start of a Beautiful Relationship	125
Accessibility	126
Contacts	127
Availability	128
Responsiveness	128
Follow-Up	130
Customer Care	130
Customer Satisfaction	133
Customer Recruitment and Retention	135
Final Thoughts	136

Chapter 11 Physical Facilities..... 137

Maintenance	138
-------------	-----

The Work Area	140
Final Thoughts	151
Chapter 12 People	153
Education	155
Training	157
Mentoring	160
Empowerment	162
Employee Benefits	164
Final Thoughts	176
Conclusion	177
Appendix: Quality Requirements Checklist	179
About the Author	185
Index	187
