# Top Ten SAS® DBMS Performance Boosters for 2009

Howard Plemmons, SAS Institute Inc.

## ABSTRACT

Gleaned from internal development efforts and SAS® technical support, this paper tracks the top ten performance options, code snips, and processes to increase your access speed to your data. Focus will be around both data step and solution performance enhancements against a variety of DBMSs.

**No paper was submitted for publication in the *Proceedings*.      Check http://support.sas.com/rnd/papers/ or contact the author.**
