Annual SAS Update to Retail Merchandise Intelligence Users

Shiva Kommareddi, SAS Institute Inc.

Deva Kumar, SAS Institute Inc.

ABSTRACT

SAS annually presents a "State of the Application" presentation to the SRUG membership and also allows for question and answer time to address specific concerns or questions about the current state and future direction of the specific modules. This is always among the best attended and most productive sessions at our SRUG meetings and this year should be no different. Hear Shiva Kommareddi, Director of Global Retail Product Management and Deva Kumar, Sr. Director R&D for SAS Retail Solutions, along with other key product resources to discuss the application vision and direction, quality assurance, upgrade status' and many other items. This is our forum for the SRUG membership to hear from the SAS team and vice versa.
