

Paper 424-2011

Annual SAS® Update to Retail Merchandise Intelligence Users

Saurabh Gupta, SAS

ABSTRACT

SAS® annually presents a "State of the Application" presentation to the SRUG membership and also allows for question and answer time to address specific concerns about the current and future application modules. This is always among the best attended and most productive sessions at our SRUG meetings. This is our forum for the SRUG membership to hear from the SAS team and vice versa.

No paper was submitted for publication in the *Proceedings*. Check <http://support.sas.com/rnd/papers/> or contact the author.
