From *SAS® Functions by Example, Second Edition.*
Full book available for purchase here.

Contents

List of Programs vii
Preface to the Second Edition xix
Preface to the First Edition xxi
Acknowledgments xxiii
Introduction xxv

Chapter 1 Character Functions 1

Introduction 3
Functions That Change the Case of Characters 5
Functions That Remove Characters from Strings 11
Functions That Search for Characters 16
Functions That Extract Parts of Strings 46
Functions That Join Two or More Strings Together 57
Functions That Remove Blanks from Strings 70
Functions That Compare Strings (Exact and "Fuzzy" Comparisions 78
Functions That Divide Strings into "Words" 97
Functions That Substitute Letters or Words in Strings 106
Functions That Compute the Length of Strings 111
Functions That Count the Number of Letters or Substrings in a String 114
Miscellaneous String Functions 121

Chapter 2 Perl Regular Expressions 143

Introduction 143
A Brief Tutorial on Perl Regular Expressions 144
Function That Defines a Regular Expression 150
Functions That Locate Text Patterns 152
Function That Substitutes One String for Another 168
Function That Releases Memory Used by a Regular Expression 171

Chapter 3 Sort Functions 173

Introduction 173
Function That Sorts Numeric Values 174
Function That Sorts Character Values 176

Chapter 4 Date and Time Functions 179

Introduction 180
Functions That Create SAS Date, Datetime, and Time Values 180
Functions That Extract the Year, Month, Day, etc., from a SAS Date 188
Functions That Extract Hours, Minutes, and Seconds from SAS Datetimes and Time Values 192
Functions That Extract the Date or Time from SAS Datetime Values 195
Functions That Work with Date, Datetime, and Time Intervals 197
Function That Computes Dates of Standard Holidays 212
Functions That Work with Julian Dates 214

Chapter 5 Array Functions 219

Introduction 219

Chapter 6 Truncation Functions 225

Introduction 225
Functions That Round and Truncate Numerical Values 226
Function That Returns SAS Numerical Values Stored in Fewer than 8 Bytes 234

Chapter 7 Descriptive Statistics Functions 237

Introduction 238
Functions That Determine the Number of Missing and Non-missing Values in a List of SAS Variables 238
Functions That Compute Sums, Means, and Medians 241
Functions That Compute the Spread or Dispersion of Data Values 244
Functions That Determine the Ordering of Data Values 247

Chapter 8 Mathematical and Numeric Functions 267

Introduction 267
Commonly Used Mathematical Functions 268
Functions That Work with Exponentiation and Logarithms 276
Factorial and Gamma Functions 279
Miscellaneous Functions 282

Chapter 9 Random Number Functions 287

Introduction 287
Functions That Generate Uniform Random Numbers 290
Functions That Generate Normally Distributed Numbers 303
A Function That Generates Random Numbers from a Wide Variety of Probability Distributions 310

Chapter 10 Special Functions 315

Introduction 315
Functions That Obtain Values from Previous Observations 315
Functions That Perform Character-to-Numeric or Numeric-to-Character Conversion 321
Function That Sets Variable Values to a SAS Missing Value 333

Chapter 11 State and ZIP Code Functions 335

Introduction 335
Functions That Convert FIPS Codes 336
Functions That Convert State Codes 339
Functions That Convert ZIP Codes 341
Functions That Compute Geographical Distance 346

Chapter 12 Trigonometric Functions 351

Introduction 351
Three Basic Trigonometric Functions 351
Three Inverse Trigonometric Functions 355

Chapter 13 Macro Functions 359

Introduction 359

Chapter 14 SAS File I/O Functions 371

Introduction 371
Functions That Determine if SAS Data Sets Exist, and That Open and Close Files 373
Functions That Return SAS Data Set Characteristics 375
Functions That Return Variable Information 381

Chapter 15 Variable Information Functions 391

Introduction 391
Functions That Determine SAS Variable Information 392
Functions That Determine Format Information 403
Functions That Determine Informat Information 406

Chapter 16 Bitwise Logical Functions 411

Introduction 411

List of Functions 421

Index 429
