Contents

List of Programs vii
Preface to the Second Edition xix
Preface to the First Edition xxii
Acknowledgments xxiii
Introduction xxv

Chapter 1  Character Functions  1
Introduction  3
Functions That Change the Case of Characters  5
Functions That Remove Characters from Strings  11
Functions That Search for Characters  16
Functions That Extract Parts of Strings  46
Functions That Join Two or More Strings Together  57
Functions That Remove Blanks from Strings  70
Functions That Compare Strings (Exact and "Fuzzy"
  Comparisons  78
Functions That Divide Strings into "Words"  97
Functions That Substitute Letters or Words in Strings  106
Functions That Compute the Length of Strings  111
Functions That Count the Number of Letters or Substrings in a
  String  114
Miscellaneous String Functions  121

Chapter 2  Perl Regular Expressions  143
Introduction  143
A Brief Tutorial on Perl Regular Expressions  144
Function That Defines a Regular Expression  150
Functions That Locate Text Patterns  152
Function That Substitutes One String for Another  168
Function That Releases Memory Used by a Regular Expression  171
Chapter 3  Sort Functions  173
Introduction  173
Function That Sorts Numeric Values  174
Function That Sorts Character Values  176

Chapter 4  Date and Time Functions  179
Introduction  180
Functions That Create SAS Date, Datetime, and Time Values  180
Functions That Extract the Year, Month, Day, etc., from a
      SAS Date  188
Functions That Extract Hours, Minutes, and Seconds from SAS
      Datetimes and Time Values  192
Functions That Extract the Date or Time from SAS Datetime
      Values  195
Functions That Work with Date, Datetime, and Time Intervals  197
Function That Computes Dates of Standard Holidays  212
Functions That Work with Julian Dates  214

Chapter 5  Array Functions  219
Introduction  219

Chapter 6  Truncation Functions  225
Introduction  225
Functions That Round and Truncate Numerical Values  226
Function That Returns SAS Numerical Values Stored in Fewer
      than 8 Bytes  234

Chapter 7  Descriptive Statistics Functions  237
Introduction  238
Functions That Determine the Number of Missing and Non-missing
      Values in a List of SAS Variables  238
Functions That Compute Sums, Means, and Medians  241
Functions That Compute the Spread or Dispersion of
      Data Values  244
Functions That Determine the Ordering of Data Values  247
Chapter 8  Mathematical and Numeric Functions  267
Introduction  267
Commonly Used Mathematical Functions  268
Functions That Work with Exponentiation and Logarithms  276
Factorial and Gamma Functions  279
Miscellaneous Functions  282

Chapter 9  Random Number Functions  287
Introduction  287
Functions That Generate Uniform Random Numbers  290
Functions That Generate Normally Distributed Numbers  303
A Function That Generates Random Numbers from a Wide Variety of
Probability Distributions  310

Chapter 10  Special Functions  315
Introduction  315
Functions That Obtain Values from Previous Observations  315
Functions That Perform Character-to-Numeric or Numeric-to-
Character Conversion  321
Function That Sets Variable Values to a SAS Missing Value  333

Chapter 11  State and ZIP Code Functions  335
Introduction  335
Functions That Convert FIPS Codes  336
Functions That Convert State Codes  339
Functions That Convert ZIP Codes  341
Functions That Compute Geographical Distance  346

Chapter 12  Trigonometric Functions  351
Introduction  351
Three Basic Trigonometric Functions  351
Three Inverse Trigonometric Functions  355

Chapter 13  Macro Functions  359
Introduction  359
Chapter 14  SAS File I/O Functions  371
Introduction  371
Functions That Determine if SAS Data Sets Exist, and That Open
and Close Files  373
Functions That Return SAS Data Set Characteristics  375
Functions That Return Variable Information  381

Chapter 15  Variable Information Functions  391
Introduction  391
Functions That Determine SAS Variable Information  392
Functions That Determine Format Information  403
Functions That Determine Informat Information  406

Chapter 16  Bitwise Logical Functions  411
Introduction  411

List of Functions  421
Index  429
