List of Figures and Tables  
Preface  
Acknowledgments  
How to Help This Book  
Part I  Book Overview and Background  
Introduction  
Adventures in Twitter Data Discovery  
Contemporary Dataviz  
Primary Objective  
Benefits  
More Important Than Ever  
Revenge of the Laggards: The Current State of Dataviz  
Book Overview  
Defining the Visual Organization  
Central Thesis of Book  
Cui Bono?  
Methodology: Story Matters Here  
The Quest for Knowledge and Case Studies  
Differentiation: A Note on Other Dataviz Texts  
Plan of Attack  
Chapter 1  The Ascent of the Visual Organization  
The Rise of Big Data  
Open Data  
The Burgeoning Data Ecosystem  
The New Web: Visual, Semantic, and API-Driven  
The Arrival of the Visual Web  
Linked Data and a More Semantic Web  
The Relative Ease of Accessing Data  
Greater Efficiency via Clouds and Data Centers  
Better Data Tools  
Greater Organizational Transparency  
The Copycat Economy: Monkey See, Monkey Do  
Data Journalism and the Nate Silver Effect  
Digital Man  
The Arrival of the Visual Citizen  
Mobility  

xiii
Contents

The Visual Employee: A More Tech- and Data-Savvy Workforce 47
Navigating Our Data-Driven World 48

Chapter 2  Transforming Data into Insights: The Tools 51
Dataviz: Part of an Intelligent and Holistic Strategy 52
The Tyranny of Terminology: Dataviz, BI, Reporting, Analytics, and KPIs 53
Do Visual Organizations Eschew All Tried-and-True Reporting Tools? 55
Drawing Some Distinctions 56
The Dataviz Fab Five 57
Applications from Large Enterprise Software Vendors 57
LESVs: The Case For 58
LESVs: The Case Against 59
Best-of-Breed Applications 61
Cost 62
Ease of Use and Employee Training 62
Integration and the Big Data World 63
Popular Open-Source Tools 64
D3.js 64
R 65
Others 66
Design Firms 66
Startups, Web Services, and Additional Resources 70
The Final Word: One Size Doesn’t Fit All 72

Part II  Introducing the Visual Organization 75

Chapter 3  The Quintessential Visual Organization 77
Netflix 1.0: Upsetting the Applecart 77
Netflix 2.0: Self-Cannibalization 78
Dataviz: Part of a Holistic Big Data Strategy 80
Dataviz: Imbued in the Netflix Culture 81
Customer Insights 82
Better Technical and Network Diagnostics 84
Embracing the Community 88
Lessons 89

Chapter 4  Dataviz in the DNA 93
The Beginnings 94
UX Is Paramount 95
The Plumbing 97
Embracing Free and Open-Source Tools 98
Extensive Use of APIs 101
Lessons 101

Chapter 5  Transparency in Texas 103
Background 104
Early Dataviz Efforts 105
Embracing Traditional BI 106
Data Discovery 107
Better Visibility into Student Life 108
Expansion: Spreading Dataviz Throughout the System 110
