## SAS® OnDemand for Academics

## Student Course Enrollment Instructions

## Overview

Instructors can create a course and then invite users (students) to enroll in their course. Complete the steps in the following section if you receive a course enrollment link from your instructor.

## Enroll in a Course

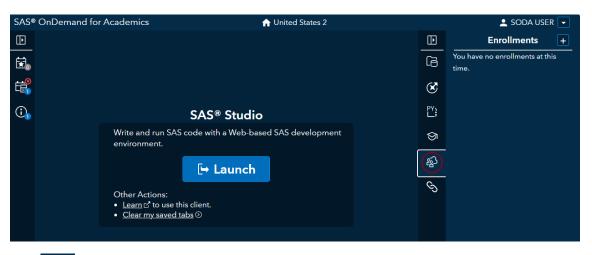

- 1. Locate the course link that your instructor sent to you. Click the link to log on to SAS OnDemand for Academics.
- 2. Log on to SAS OnDemand for Academics.

**Note**: If you do not have an account, see SAS OnDemand for Academics <u>Registration</u> Instructions.

Your SAS OnDemand for Academics Dashboard is displayed.

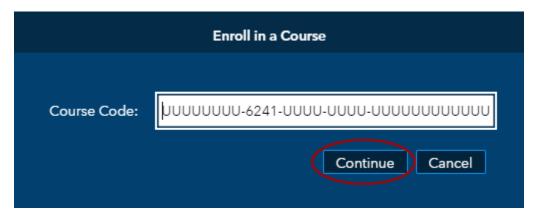

3. Select the **Enrollments** tab. Click

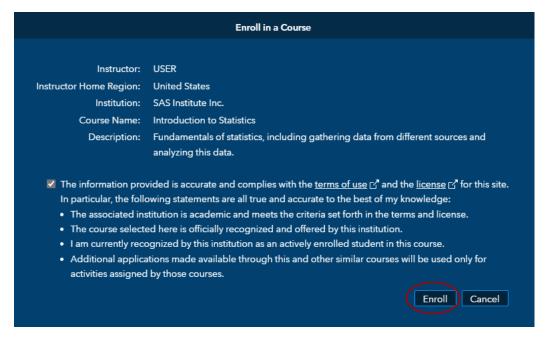

4. Click in the **Enrollments** tab.
The Enroll in a Course page is displayed.

5. Enter the course code that your instructor provided. Click **Continue**.

6. Verify that the course that you are about to enroll in is the appropriate course. If it is, select the check box and then click **Enroll**. Otherwise, avoid enrolling in the course by clicking **Cancel**.

7. The course or courses that you have enrolled in are listed in the **Enrollments** tab. Click
