

SAS® OnDemand for Academics

Registration Instructions

Overview

To register for SAS OnDemand for Academics, you must complete the following:

- Create a SAS Profile
- Verify the SAS Profile
- Register for SAS OnDemand for Academics with SAS Profile credentials

Once you have completed SAS OnDemand for Academics registration, you can access SAS Studio.

Register for SAS OnDemand for Academics

1. Start at <https://welcome.oda.sas.com/>.
2. These instructions assume that you do not have a SAS Profile. Click **Don't have a SAS Profile**.

The screenshot shows the 'Sign In' page for SAS OnDemand for Academics. At the top, there are two buttons: 'Current Events' and 'Notices'. Below these is the title 'SAS® OnDemand for Academics Sign In'. There are two input fields: 'SAS Profile Email address or account name' and 'Password'. Below the password field is a checkbox labeled 'Accept the terms of the [license](#) and the [terms of use and conditions](#)'. At the bottom of the form is a 'Sign In' button. Below the button are two links: 'Forgot Password?' and 'Don't have a SAS Profile?'. At the very bottom of the page, there is a footer with links for 'Contact Us', 'Status', 'License', 'Terms of Use & Legal Information', 'Privacy Statement', and 'www.sas.com', followed by the copyright notice 'Copyright © 2020 SAS Institute Inc. All Rights Reserved.'

3. If you clicked **Don't have a SAS Profile**, a dialog box prompts you to create a SAS Profile. Click **Create Profile**.

Before you can register you will need to create a SAS Profile account. After you create your profile and receive e-mail validation, return to this page to register for SAS OnDemand for Academics.

4. Complete all the required fields to create a SAS Profile.

 THE POWER TO KNOW. SAS Profile

Step 1 of 2: Tell us about yourself.

Preferred Language

First Name *

Last Name *

Email *

Country/Region *

Affiliation With SAS *

Company/Organization *

*Required

5. You must check the box to agree to the SAS Profile terms and conditions at the bottom of the Create a SAS Profile page. Click **Create profile**.

Affiliation With SAS *

Customer/User

Company/Organization *

SAS Institute Inc

*Required

Yes, I would like to receive occasional emails from SAS and its affiliates about SAS products, events, free white papers, special offers, etc. I understand that all personal information will be handled in accordance with the SAS Privacy Statement. [Learn more.](#)

I agree to the [terms of use and conditions.](#) *

Create profile

After clicking "Create profile," you will receive a verification email with instructions for setting your password and activating your profile.

The **Create profile** button turns orange when you have filled in all the required fields. When you click **Create profile**, a message is displayed that tells you that a verification email has been sent to you with instructions on how to activate your SAS Profile.

 **THE POWER TO KNOW.** SAS Profile

Thank you for creating a SAS Profile. You're almost done!

A verification email has been sent to the address you provided. To verify your email address and activate your profile, click the link in the email (subject: *Please activate your SAS Profile*). You will then be prompted to set a password.

It may take a few minutes for the email to reach your inbox. If you do not receive the email, check your junk email folder.

To ensure that emails from SAS are not blocked by your mailserver, add [sas.com](#) to your list of safe sender domains.

If you have trouble creating your SAS profile, send email to SASProfileHelp@sas.com.

9. Return to the [SAS OnDemand for Academics Sign In page](#).

10. Enter your email address and your password. Agree to the terms and conditions. Click **Sign In**.
11. You are presented with a screen with options. It is important that you understand these options as they affect how you interact with SAS OnDemand for Academics.
The Help section named **Need help selecting your home region?** contains embedded tools to aid you in determining the best region for you.

Need help selecting your home region? ▼

In most cases, the site performance from your typical usage location will indicate the best choice. Below, you can perform a simple test to estimate that performance if you are currently at that location.

[Compare Performance of All Regions](#)

Alternatively, we can suggest a region based on your expected usage location if you select that location below. If you are currently at that location, you can select **(Current Location)** to detect it automatically.

▼

[Suggest](#)

Click **Compare Performance of All Regions**. The tool suggests a region based on performance.

Alternatively, select the country in which you will primarily use SAS OnDemand for Academics from the drop-down menu above **Suggest**. Click **Suggest**. The tool suggests a region based on your expected usage location.

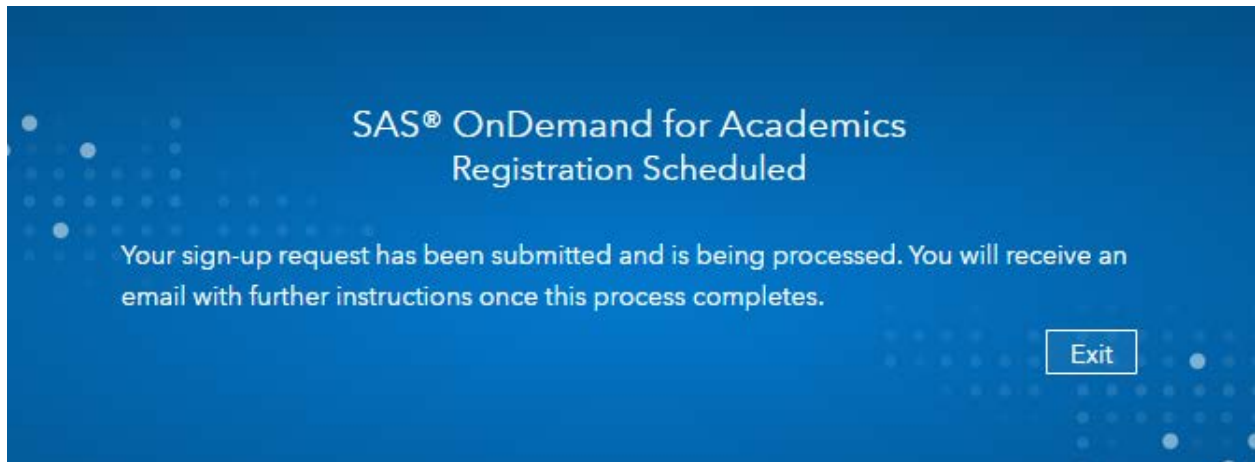

12. Select your home region. Click **Submit**.

13. A dialog box prompts you to confirm your selection of a home region. Click **Yes**.

14. A message is displayed that says that your registration has been submitted and is being processed. An email will be sent to you with further instructions. Click **Exit**.

15. You should receive a confirmation email that contains a link to the [SAS OnDemand for Academics Sign In page](#). Click the link to open SAS OnDemand for Academics.

Sample Instructor Dashboard

In the following figure, the **Applications** tab is selected.

The screenshot displays the SAS OnDemand for Academics Dashboard. At the top right, there is a home icon, the text "United States", a user icon, and "SODA User" with a dropdown arrow. The main title is "SAS® OnDemand for Academics Dashboard". Below the title are three buttons: "Current Events", "Planned Events", and "Notices". A navigation bar contains three tabs: "Applications" (highlighted with a dark background and a red arrow pointing down to it), "Enrollments", and "Courses". The main content area lists four SAS products with their descriptions and actions:

- SAS® Studio**: Write and run SAS code with a Web-based SAS development environment. *Actions:* [Clear my saved tabs.](#)
- SAS® Enterprise Guide®**: Deliver the power of SAS from an easy-to-use, point-and-click interface. ([Download Required](#))
- SAS® Enterprise Miner™**: Reveal valuable insights with powerful data mining software. ([Configuration Steps Required](#))
- SAS® Forecast Studio**: Generate large numbers of high-quality forecasts automatically. ([Configuration Steps Required](#)) *Actions:* [Manage your personal environment.](#)
