SAS Institute publishes these Proceedings as a record of the 1984 SUGI Conference. Neither SAS Institute nor SUGI can take responsibility for the accuracy or the originality of this material.

The base SAS® product provides data retrieval and management, programming, statistical, and reporting capabilities. Also in the SAS system are the SAS/GRAPH®, SAS/ETS®, SAS/FSP®, SAS/OR®, SAS/IMS-DL/I®, and SAS/REPLAY-CICS™ products. They are available from SAS Institute Inc., a private company devoted to the support and further development of the SAS System and related services. SAS Communications® and SAS Views® are published by SAS Institute Inc.
