Improving Your SAS® Investment from the Ground Up: SAS® 9.2 Enhancements That Help You Leverage Your Operating Environment

Clarke Thacher, SAS Institute Inc.

ABSTRACT

One problem that often comes up on servers supporting a large number of SAS® users is overloading the file system used to hold SAS temporary files.

In this session, we will describe a new feature added to SAS® 9.2 that will allow sites to distribute the SASWORK directories across multiple file systems.
